VW T6.1 (Transporter, Multivan, California)	2019-2024	Fog	LEDSC05

* In case your vehicle is not listed, no specific installation instructions are known.

In the very unlikely event that your vehicle displays an error message in the on-board computer and is not yet on the specification list, OSRAM has also developed a solution for the NIGHT BREAKER® LED SMART ECE H11 – the LEDriving® SMART CANBUS LEDSC05.

If you are unsure about the applicability of the LED replacement light source, please contact professional repair workshops. If it is not used in accordance with the OSRAM installation and operating instructions, malfunctions may occur.
