

Curriculum Vitae

Bettina Kleewein

Bettina Kleewein (Employee Representative, delegated by the Works Council), female, born in 1982, Austrian citizen. Member of the SB since 2026, current term of office until 2028.

Bettina Kleewein completed her training as an electrical installer and joined ams OSRAM in 2001. She started her career as an operator in Fab A and subsequently took on responsibility for the ongoing maintenance of production equipment as a setup technician. Following her transfer to Fab B, she worked for five years as a night-shift operator and later for seven years as a forewoman with personnel responsibility in day-shift operations.

In September 2016, Bettina Kleewein moved into a salaried position and assumed the role of CSA Line Control Manager within Operations & Manufacturing. In this capacity, she was responsible for monitoring and controlling production lines, with a focus on ensuring on-time manufacturing and delivery. The role also included personnel management responsibilities.

Since June 2023, Bettina Kleewein has been serving as an Employee Representative on the Works Council and is Deputy Chairwoman of the Salaried Employees' Works Council. In addition, since 2023 she has been active in the trade union sector for Electrical Engineering, Electronics, Telecommunications and IT, where she serves as Deputy Chairwoman of the Regional Committee.
