\* In case your vehicle is not listed, no specific installation instructions are known.

In the very unlikely event that your vehicle displays an error message in the on-board computer and is not yet on the specification list, OSRAM has also developed a solution for the NIGHT BREAKER® LED SMART ECE H11 – the LEDriving® SMART CANBUS LEDSC05.

If you are unsure about the applicability of the LED replacement light source, please contact professional repair work-shops. If it is not used in accordance with the OSRAM installation and operating instructions, malfunctions may occur.
