Product discontinuation

Dear Customer,

We want to notify that further production of

“NE2D_B&W_F2.4_FOV160_LCC_v2.0 FT SE” (**ordering code: 301200016**)

cannot be supported any longer.

Reason is that quality issues we could not correct on this version prevented us from a further economic production.

As a replacement we can offer the following product going forward:

“Zenith_V1.1 FT SE” (**ordering code: 301200012**)

Please be informed that the discontinuation of the sensor will be implemented with immediate effect.

For any further questions, please feel free to contact our customer support team at any time.

Best regards,
